Dear Applicant,

St. Mary, Star of the Sea Elementary School offers limited financial assistance to families who are experiencing financial hardship. We will try to help families in need as best we can. **Before we will consider your application for financial assistance from our school, you must apply to the Bishop Flores Scholars Tuition Assistance Program ([www.bishopfloresscholars.org](http://www.bishopfloresscholars.org)).** If you have questions about this program please contact the front office.

In order to apply for financial assistance please:

1. Fill out the attached application completely and honestly. Be assured that all information is held confidential and only the Administration will have access to your information.
2. Attach a copy of IRS Form 1040 for the previous tax year for both parents (a joint form or two separately filed forms).
3. Attach a recent pay stub from each employer for both parents.
4. If it would be helpful, you may attach a brief letter or use the space offered at the end of this form to explain the circumstances of your financial hardship and its expected duration.
5. **Return completed application with your 1040s and pay stubs IN AN APPROPRIATELY SIZED ENVELOPE (PLEASE DO NOT FOLD DOCUMENTS) marked to the attention of the "Financial Aid Committee" no later than March 30, 2015.**

(All recipients of Financial Aid are expected to be involved in school projects. If an award is granted, an appointment may be scheduled for you with the Principal to determine how you may best help the school.)

We want your experience at St. Mary, Star of the Sea to be as positive as it can be. If you have any questions or difficulties in completing the application, please speak with Mr. Hicks.
