

# ST. MARY'S SUMMER CAMPS

## MINECRAFT MODDING

Lead: Mrs. Poarch

JUNE 20 - 24

Explore how you can change the items, characters, and even the terrain itself in the most creative program in the world. We will spend the week learning how to use Mod programs to alter Minecraft and other digital tricks of the trade. Expect sunshine too! (Max: 18 campers)

## CERAMICS CAMP

Lead: Mr. Casias

JUNE 27 - JULY 1

Join us for a week of playing in the mud... Or rather clay! Learn about slab and coil pottery, greenware and glazing. You can build a portfolio of artwork! Your projects will be fired and returned to St. Mary's later in the summer!

## OCEAN ADVENTURES

Lead: Mrs. Poarch

JULY 5 - JULY 8

Prepare to get wet while learning about Marine Biology and Oceanography. We will take our lunches and walk to the beach each day of this camp and learn while having fun!

## Tech Camp

Lead: Mrs. Poarch

JULY 11 - 15

Have you ever wondered about coding? How are all of those computer games created? How are web pages made? What makes a robot move? Come explore the world of computer coding and gaming, and plan on some sunshine too! (Max: 18 campers)

## CULINARY ARTS & CRAFTS

Lead: Mrs. Poarch

JULY 18 - 22

Come exercise your culinary abilities in the St. Mary's kitchen & food lab and art studio! We will be exploring Sotelties and Illusion Foods and outdoor cooking. High end crafts will be made in the art studio. Campers will be separated into age-appropriate groups practicing how to plan, cook, and clean up a variety of cuisines.

## OCEAN ADVENTURES

Lead: Mrs. Poarch

JULY 25 - 29

Prepare to get wet while learning about Marine Biology and Oceanography. We will take our lunches and walk to the beach each day of this camp and learn while having fun!

*\*Camps are for students entering second thru eighth grades\**
